

Lost Coin

Game

One person in your house hide a coin. See how long it takes the others to find it, the person who can keep it hidden for longest wins

In the Bible Jesus tells a story about a lady who lost a silver coin. When she realised it was missing she carefully searched the whole house trying to find it.

The lost coin was so special to her that when she eventually found it she organised a party! She invited her friends and neighbours around saying, "Rejoice I have found my missing coin."

Draw a picture of the lady celebrating finding her coin.

It might seem strange that the lady got so excited over a coin. No one normally has a party because they've found something that was lost. It shows just how special and important the coin was to her. Christians believe that Jesus told this story because he wanted us to know how important and precious we are to him. So much so that when someone chooses to become a Christian the angels in heaven are really, really happy.

Bible Verse

Luke 15 verses 8-10

“Suppose a woman has ten silver coins and loses one. Won’t she light a lamp and sweep the entire house and search carefully until she finds it? And when she finds it, she will call in her friends and neighbours and say, ‘Rejoice with me because I have found my lost coin.’ In the same way, there is joy in the presence of God’s angels when even one sinner repents.”
